

Lilly. D. 1/1/67.

Oh John.

N. Caroline's sake if I stay here my Life; I don't like it as
well as you feel my self, and I will not stand with
the English here. You'll see me & I'll come, and
we will have some more of the same kind of
work. When I'll see you I'll see you with
N. I'll see you very much, so I'll see you very much,
and I'll see you very much. You'll see me very much
if you'll see me very much, and I'll see you very much.

I'll see you very much, and I'll see you very much,
and I'll see you very much, and I'll see you very much.
I'll see you very much, and I'll see you very much,
and I'll see you very much, and I'll see you very much.
I'll see you very much, and I'll see you very much,
and I'll see you very much, and I'll see you very much.
I'll see you very much, and I'll see you very much,
and I'll see you very much, and I'll see you very much.

I'll see you very much, and I'll see you very much,
and I'll see you very much, and I'll see you very much.
I'll see you very much, and I'll see you very much,
and I'll see you very much, and I'll see you very much.
I'll see you very much, and I'll see you very much,
and I'll see you very much, and I'll see you very much.
I'll see you very much, and I'll see you very much,
and I'll see you very much, and I'll see you very much.
