

Callcott's Manual System  
Music in Concord Chloe  
and Lucretia

The book of Handbook in the  
Pragmatic Library which I believe  
is also by Callcott

All this, in an ordinary way  
I suppose was never copied. I  
thought I had all four years  
since, but I see it is far to the  
the case

If you can be sure there  
the notes and the laws of the  
contract of the Stamford Business  
what they had conversation with  
for them you will oblige me

What the post has of

Should you are publishing? of course I  
will take one and then I go to town.

May give the enclosed to your  
brother and believe me

Dear Sir  
Yours very faithfully

W. Schallig

In reference to Mr Locke

I found <sup>him</sup> the fourth possible to  
E.ale with our government

as much as to could according  
the market. but with all that,

after three years of very hard  
work and terrible expences

to do the book it remains  
a letter of about £100 for

the honor of printing it. Now  
more I do not regret it for

time

Having grown and prospered in the American Soil!

No 522 Dillingen Gedrums  
if did really a walk & edition  
may you'll form at any price  
I never saw it.

the other things I leave the price  
to give at your discretion in the limit of  
cheat. For No 522 or 523. I have  
no objection to give a good price, I mean  
heard of Deborah and Gedrums by Waltz.

~~the~~ No 523 vocal music I had if  
not show 5 shell

If did your brother who attends  
to the sale, pay you him my thanks  
by advance.

the Deborah's Gedrums will be here  
to-morrow morning. I write to my  
man to take to you & H. I expect of  
the life, with 2 shell. You know of

you like to make the exchange for the  
collection of Waltz I am ready

What may be I vol. for of  
accountant in No 634. I have only  
seven.

Please to not forget the address  
address of your german for  
Waltz of Waltz.

I never got the face of Almond from  
the Alley as do not know the  
man. I would like to have it, even  
at once & 1, in colour, if we see  
then it would be done at once  
to be facter.

Your's Dear Sir

Very Sincerely

12 Nov 1859

My Dear Sir

I had this morning the 4  
vol. and I thank you for  
the gift of ms. There is  
always some thing more or  
less good to find out of it  
and in generally french books  
printed in Holland & Savoy  
the last century are not without  
of some interest.

I received the money

to

programme of the  
Abundant consciousness series. I would  
take advantage of this opportunity  
to sell the whole of my life  
of 18 reads. There are 950 copies  
of which 50 are bound ~~and~~ I  
am ready to give them at 3/6  
if necessary. Pray tell me if  
you know any body who  
would like to discuss under=  
= take such affairs.

Yours very sincerely

W. Schachtel

I will sell the whole or  
nothing

With to have that magnificent  
specimen of the genius of  
our great master performed  
in Paris

I remain yours  
very truly

V Scheuch
