Dear Sir,

I suppose Mr Lucas is mistaken
I had only from his firm (through
Mr Ch Sunday) Handel's songs
Quels and lires by Gots, nothing
more and even this collection
very incomplete since all the
pieces I put down on my
list are missing.

For greater certainty I include
the list of what I have (the list
is under my eye) except that
I have not one of the numerous
Handelian publications of these
gentlemen

Dear Sir

I thank you for the information
from Brockhall's catalogue. I suppose
Handel's songs by Gory are the
5th volume under the title of
a collection of the most admired songs
Quels etc. Do you think to see you
aware of any collection with the name
of Gory? But then three vol. a
collection of the most etc. Brockhall's
etc appears to have been the original
publication. The 2nd vol. is more in a 2nd
I find volume of 11 Letters to
Mr Hyde 1715 (Baker's) Do you
know this firm? Mr Gory I suppose
will know some thing about them.
It appears that many things in his
catalogue

My dear Sir

I did not answer your
letter because I have been
absent all the week and had
only yesterday in coming home.

I have not here the last
catalogue, so I cannot
remember what are Nos
138 and 139. But very
likely you have arranged
the things to my knowledge.

Dear Sir

I receive the parcel which I
was glad to see the book of Gory.
That is why we have on the 20
vol. and 1715-1716 are
destroying their parts.
You see what was what you
see for me at the auction. At
14.10 you have said it was
a mistake, I will buy you
to send it to me as to see
and also the book of Gory.
No 234. What made you to
buy it? I do not see a note of
Handel's etc.

at the College, the boys
went in 7 parts, the 1st group with
the boys from Weymouth Boston.

I fear that talk has been written
to my mother, the matter is to be
to much.

I wish to have the list of
the Catalogue of Mrs. Robinson
I hope they will not mind

I think more very strong for they
